## PROFILE

I am an enthusiastic UI/UX Designer with a sharp eye for detail and a strong passion for creating seamless, user-friendly designs. Skilled in wireframing, prototyping, and building visually appealing interfaces, I strive to transform complex ideas into simple and engaging digital experiences. My goal is to design products that not only look good but also provide smooth and intuitive interactions for users.

## EDUCATION

**BSc. (Hons) in Computing & Information Systems**  
Sabaragamuwa University of Sri Lanka

2023 - Present

**G.C.E Advanced Level - Physical Science Stream**  
H/ Walasmulla National School

2017- 2020

## PROJECTS

### MindLink | Group

An AI-powered mobile quiz app that converts study materials into interactive quizzes using NLP to enhance learning engagement.

- **Contribution:** Led the UI/UX design process, including wireframing and prototyping, and developed the subject selection and question data modules to ensure smooth quiz navigation.
- **Technologies Used:** Figma, Flutter, Firebase, Python.

### NeoConvert | Individual

A streamlined PDF editor platform designed for fast and intuitive document management, offering essential tools for editing, organizing, and converting PDFs with ease.

- **Contribution:** Designed the complete UI/UX process, including wireframing and interactive prototyping in Figma, focusing on usability, accessibility, and a clean visual hierarchy.
- **Technologies Used:** Figma

### Meditation & Mindfulness App Design | Individual

A mobile app designed to enhance relaxation, focus, and emotional balance through guided sessions and mood tracking.

- **Contribution:** Designed the full UI/UX in Figma, including wireframes, user flows, and prototypes with a focus on usability and calming visuals.
- **Technologies Used:** Figma

### FlowerLover | Individual

An elegant online flower shop interface designed to make browsing and gifting flowers effortless, featuring soft visuals, clear layouts, and an intuitive shopping flow.

- **Contribution:** Designed the complete UI/UX in Figma, including wireframes, user flows, and interactive prototypes, focusing on simplicity, aesthetic appeal, and smooth user navigation.
- **Technologies Used:** Figma

### Sri Lankan Train Transport | Individual

A modern, user-friendly train booking interface designed for clear navigation and real-time travel updates.

- **Contribution:** Designed the complete UI in Adobe XD with a focus on layout clarity, visual hierarchy, and accessibility.
- **Technologies Used:** Adobe XD

## JOVRIX | Individual

A streamlined event booking and management interface designed for organizers to manage events, view analytics, handle bookings, and analyze attendee insights.

- **Contribution:** Designed the full UI/UX in Figma including user flows, wireframes, reusable components, mockups, and high-fidelity screens with a focus on clarity, usability, and data-driven layouts.
- **Technologies Used:** Figma

## Ice Cream Shop Website | Individual

A responsive and interactive website showcasing various ice cream flavors with dynamic menus, smooth animations, and an integrated contact form for customer inquiries.

- **Contribution:** Designed and developed the complete front-end, focusing on user-friendly navigation and appealing visual design.
- **Technologies Used:** HTML, CSS, JavaScript

## TECHNICAL SKILLS

---

- **UX Design:** Wireframing, Prototyping, User Flows
- **Research & Testing:** User Research, Usability Testing
- **Tools:** Figma, FigJam, Adobe XD
- **Languages :** HTML, JavaScript, CSS, PHP, Java
- **Databases:** MySQL, MongoDB

## SOFT SKILLS

---

- |                         |                   |                   |
|-------------------------|-------------------|-------------------|
| • Teamworking           | • Problem-Solving | • Leadership      |
| • Self-Learning Ability | • Communication   | • Time Management |

## ACHIEVEMENTS

---

- HackElite 1.0 – Online Quiz Winner Top 90+ teams | IEEE WIE, University of Moratuwa (2024) | Team: Alpha Femmes

## COURSES

---

- Web Design for Beginners - UOM

## EXTRA CURRICULAR ACTIVITIES

---

- IEEE Member | Student Branch, SUSL
- Member - Society of Computer Science, Faculty of Computing, SUSL
